Farside Records presents “**Fruchtalarm**”, the second 12inch from **Herb LF**. With heavy plays of his “Miles/Jam 2 Tha Mother” release by DJs like Rainer Truby, Jimpster (scored Top 3 in his charts), Jazzanova, Osunlade or Marcus Worgull, “**Fruchtalarm**” comes along to fill the floors with a hypnotic dope-deep-detroit-tech-house grower & beautiful chords/strings.

Everbody who knows **Herb LF** as part of the duo **Westpark Unit** (with Ingo Sanger), Gush Collective or house, freestyle, drum & bass DJ, could not overlook his fable for booming bassline business. When the “**Fruchtalarm**” bass drops in every party is a rocking place, but still with the necessary dosis of deepness, soul or jazz.

Another highlight of the 12inch is the breathtaking “**Fruchtalarm**” remix by our friend and one of the most famous german electronic masterminds to date **Robag Wruhme (Wighnomy Brothers, Freude Am Tanzen, Mute)**. By the way, the complete labelcatalogue of **Robag** has been mastered by **Herb LF**!

And this “**Fruchtalarm**” mix of mighty **Robag Wruhme** is one of his best, yet! You might call this jazz, minimal electronic, house or whatever. With this wonderful vibe and the irresistible groove, the „**Wighnomy Obstkokktailie**” rework of “**Fruchtalarm**” should find its way to all floors and could be magic even in loungy sets. Did I hear someone shouting St. Germain??

An **Herb LF** record would not be **Herb LF**, when you wouldn’t find the right dosis of dopeness. „**City Rush Boogie Dub**“ features the vox of **Matt Flores** (Compost, Combination) and is so easy and fresh. House with an hip hop vibe, dubsounds and jazz appeal. Jus’ cool!
