FAR SIDE RECORDS

Farside Records was founded by **Ingo Sanger** (Westpark Unit, Eins Live Radio, Taxi Clubnights....) in 2000 as a compilationlabel. Mixcompilations like **Kaleidoscopic Beats** (Klaus Fiehe), **Mekka & The Soul Brother** (Olski & Ingo Sanger), **Steppers School** (Gush Collective), **Nu Breaks & Deep House Gems** (S. Irlinger) and **House Not House Vol. 1 & 2** (I. Sanger) were national & international successful cause of the always soulful, handpicked and genrebreaking musically selection. After the labeldivision of NTT Medien had to close almost two years ago, Ingo and **Farside Records** had to look for a new home.

In cooperation with his friends **Olski** (as sublabel of **Melting Pot Music, Cologne** www.mpmsite.com) and **Winni Petersmann** (**On The Rock/OTR Schallplatten, Waltrop** www.ontherock.de), Ingo Sanger now celebrates the relaunch of **Farside Records** with a 12inch Vinyl edition.

Farside Records focusses on artists with a soulful & deep vibe and features Clubmusic, influenced by House, Hip Hop, Detroit or whatever good music....

The first 12inches will represent **Matt Flores** from Dusseldorf (incl. **Tyree Cooper** Remix) with tunes somewhere between Detroit, Old School & 90bpm and **Westpark Unit** (incl. **Patchworks** Remix) in a dub & deep disco stylee.

Future plans for **Farside Records** include 12inches, Artist Albums & Compilations. Releases, News, Infos always updated via the website www.farside-records.de.
